Education

BSc.

University: Isfahan University

Major: Physics

Msc.

University: Isfahan University

Major: Nano Physics

Thesis: Study of the effect of the nanostructured additive on the mechanical and thermal properties of polycrystalline isotropic graphite

Supervisors: Dr. A.Nourmohammadi

PhD

University: Sharif University of Technology (Institute for Nanoscience and Nanotechnology)

Major: Nano Science and Technology

Research Experience:

nanostructured additive, isotropic graphite,...
